A RETAILER

About

‘The story of Newgate’

Newgate World is a British company and portfolio of brands. Originating with the iconic clock brand Newgate Clocks in 1990.

Newgate manufactures its products to strict standards with friends and partners in Hong Kong and China. They design, research and develop everything at their British office, warehouse and studios.

SF Distributions distributes a selection of alarm, mantel and wall clocks.

How to contact us

Support | support@sfdistributions.com

SF Distributions supports their retailers in several ways. We provide you with a personal B2B account where you can find all the technical information you need to start selling Newgate. Our support team is also there to help you with any questions you may have. SF Distributions also gladly invites you to our showroom in Utrecht.

Logistics | logistics@sfdistributions.com

Your orders are shipped from our in-house warehouse in the Netherlands, Utrecht. We ship 5 days a week from Monday till Friday.

Sales | orders@sfdistributions.com

Our team of experienced salespeople at SF Distributions understand the European market well. Their product knowledge enables them to offer guidance and information. They are here to support you through the whole process.

Marketing | marketing@sfdistributions.com

At SF Distributions we love to create content. In combination with product descriptions, we want to provide you as a retailer with all the tools to make your own customers happy.

Administration | admin@sfdistributions.com

In the B2B portal you can find your invoices & order confirmations. Our administration is available for all your questions.

Centre of the Earth

Spherical LCD alarm clock with a sleek black multi-function screen that offers a modern yet retro addition to a room. The unique British designed alarm clock incorporates a 12 or 24 hour time display, a digital alarm and snooze function, and temperature display.

The screen will be dimmer when running on batteries alone, but bright when you hit the button on top, unless you have the USB cable connected in which case the screen will be really bright.”

Futurama

Black rectangular LCD alarm clock with a multi-function screen in a stylish colourway to give it an on-trend, minimalist style.

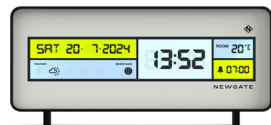

The unusual alarm clock design incorporates a 12 or 24 hour time display, a digital alarm and snooze function, and temperature display.

Specifications

- LCD/LED Alarm
- 1x USB cable included
- 3 x high quality branded AAA battery (not included)
- Acrylic Case & Lens

Dimensions

- 9 cm x 20 cm x 5,7 cm
- weight 0,2 kg

Matt Black
LED/PIL1

PIL

Tubular, white retro LED alarm clock with a cut out black screen which provides the perfect modern bedside or desk accessory.

The unique Pil alarm clock design incorporates a 12 or 24 hour time display, a digital alarm and snooze function, and temperature display.

Specifications

- LCD/LED Alarm
- 1x USB cable included
- 3 x high quality branded AAA battery (not included)
- Acrylic Case & Lens

Dimensions

- 9 cm x 17,5 cm x 8,5 cm
- weight 0,2 kg

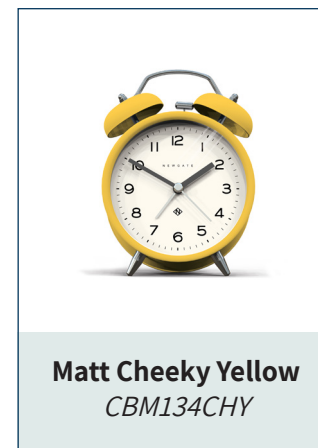

Specifications

- Quartz 'silent-sweep' movement. No tick, but faint whir when in a silent room such as a bedroom.
- 1 x high quality branded alkaline AA battery (not included)
- Metal case, Glass lens

Dimensions

- 14,5 cm x 9,7 cm x 5,5 cm
- weight 0,2 kg

Charlie

A bright red alarm clock with a colourful modern matt-finish case, contemporary graphic dial and a moving hammer and twin-bell alarm.

Known as 'silent sweep' in the industry, the hands move in a constant sweeping motion rather than a stepped tick. So you won't hear any ticking but if your hearing is particularly sensitive in a completely silent room you may hear a very quiet whirring. Discover the coordinating Echo red wall clock and Echo red mantel clock online now.

Brooklyn

A small retro-inspired alarm clock with a rectangular black case sat on a small acrylic stand, making this unique Newgate designed alarm clock a great addition to your desk, shelf or bedside.

Known as 'silent sweep' in the industry, the hands move in a constant sweeping motion rather than a stepped tick. So you won't hear any ticking but if your hearing is particularly sensitive in a completely silent room you may hear a very quiet whirring.

Specifications

- Quartz 'silent-sweep' movement.
- 1 x high quality branded alkaline AA battery (not included)
- Acrylic case metal hands and a 3D acrylic lens.

Dimensions

- 65 cm x 65 cm x 4 cm
- weight 0.17 kg

Brian

Retro-inspired alarm clock with contemporary matt grey case and mid-Century arabic dial, framed by a minimalist square case and supported by an unique pyramid stand.

Known as 'silent sweep' in the industry, the hands move in a constant sweeping motion rather than a stepped tick.

Specifications

- Quartz 'silent-sweep' movement. No tick, but faint whir when in a silent room such as a bedroom.
- 1 x high alkaline AA battery (not included)
- Acrylic Case, Metal Hands, Glass Lens

Dimensions

- 17 cm x 10 cm x 8 cm
- weight 0.28 kg

Spheric

A statement 1970's style spherical alarm clock with a tilted arabic dot dial and metal pointer hands. The acrylic clock and stand has a matt finish, with acrylic lens, and digital alarm sound.

Known as 'silent sweep' in the industry, the hands move in a constant sweeping motion rather than a stepped tick.

Specifications

- Silent-sweep with no ticking noise
- 3 x high quality branded AAA battery (not included)
- Acrylic Case & Lens

Dimensions

- 14 cm x 11,5 cm x 9 cm
- weight 0,2 kg

NEW

Lemur

A mid-century modern alarm clock with an emphasis on the modern. This space-age design blends a contemporary cream face and bamboo case with a retro-inspired dial and simplified numerals. Bamboo is highly renewable.

Raw bamboo is converted, using the most fascinating process, into the solid blocks that we then turn into clock cases.

Specifications

- Quartz 'silent-sweep' movement.
- 1 x high alkaline AA battery (not included)
- Bamboo case, metal hands and glass lens

Dimensions

- 11.5 cm x 22 cm x 6 cm
- weight 0.41 kg
